Children's Area

July • 3-8 pm

September • 3-7 pm

Be sure to visit our expanded Children's Fun Zone, located on State Street near **Reyers Shoe Store**. Lots of interactive projects, vegetable planting and races, robotics, music, safety skills, games and more!

Live Entertainment

We have two stages for your musical enjoyment. Our **East Stage** is located in our food court area. The **River Stage** is located at the corner of E. State St and Shenango Ave., just in front of **Huntington Bank**.

Downtown Art Installations

Take time to visit the inspiring art installations through out downtown. Members of Random Acts of Artist (RAA) have installed the Literary Garden by the Shenango Valley Library, Random InterFace Alley (directly across from Vine St.), Floral Garden Gallery located on Connelly Blvd., Riverview Gardens, Willow Way and five wood carvings from ash trees located in Riverview Gardens Park. Along with many other artist pieces throughout town.

Historical Walking Tours

The Sharon Historical Society and Sharon Beautification Commission will be conducting walking tours of select parts of downtown Sharon. Please check our website for starting locations.

Hope CAT Mural

The mural is a collaboration with world renowned mural artist Joel Bergner, HopeCAT students, local artists and Park Inn by Radisson employees. The design honors the past and our community with an eye on the future.
